

GREAT EASTON VILLAGE HALL

Minutes for an extra-ordinary meeting Saturday March 9th AT 10am

Present : Flick, David, Alan, Margaret, Marie, Sally, Shirley.

Alice arrived later and did not vote.

Apologies Tim and Haylea, Kay, Elizabeth.

We looked at the shed which was put up by Harborough District Council as part of the Dispersed School Scheme. It has never been successful for storage, things in there become wet with condensation and access is difficult particularly in the Dark.

Elizabeth Hankey has made us an offer of £100 to remove the shed and make good the site.

Outside , by the shed , the decision was carried unanimously to accept this offer.

Alan looked up and wanted a second opinion on the state of the roof and thought when the shed had gone the site would be ideal for a hall extension. It was agreed that this would be discussed at a full meeting
